OUTSOURCE INDIRECT MATERIALS INVENTORY

We stock what you need, and you pay after use !

InterWorld's Inventory Outsourcing service helps reduce inventory and free up your cash to better spent on other parts of your business. It takes a lot of time and manpower (purchasing, accounting, finance) to manage Indirect Materials, not to mention the headaches and inefficiency of managing hundreds or thousands – of suppliers. But when you outsource to InterWorld, you gain a huge savings in cost reductions and efficiencies. Give us a call and we will explain how we do it. vutthana_m@iwgh.com

OUTSOURCE YOUR INDIRECT MATERIALS INVENTORY

A wide range of outsourcing solutions for every size company.

HOW DO WE DO IT?

InterWorld will perform a full assessment of your current processes, inventory controls and warehouse workflow. Following the assessment and complete understanding of your best business practices, InterWorld will outline a plan to reduce total cost of ownership for Inventory and enhancing Supply Chain performance leading to efficient inventory controls and flow of goods.

And as we say, "We stock what you need and you pay after use !

WHY SHOULD YOU OUTSOURCE?

Supply chain inefficiencies like inventory surplus, excess paperwork, repeated procurement and multiple supplier management cost your company untold amounts of money .

1: Reduce cost:

Eliminates excess and obsolete Inventory, reduces overall Inventory carrying cost. Pay for what you withdraw from the Inventory and not for what you have in it.

2: Improve Productivity:

Your Staff gets stock items as needed. No line down situation. Items are available 24/7 for withdrawal. Automated replenishments so you don't have to worry about stock planning.

3: Better visibility and decision making:

We give you the big picture with Item specific data, detailed reports, Usage and spend analysis and more much.

4: Reduce technology investments:

Take advantage of our innovative cloud based supply chain management system "EAGLES" which provides supplier integration, inventory forecasting, department-wise budget and monitoring. All these will be provided to you without investment at all.

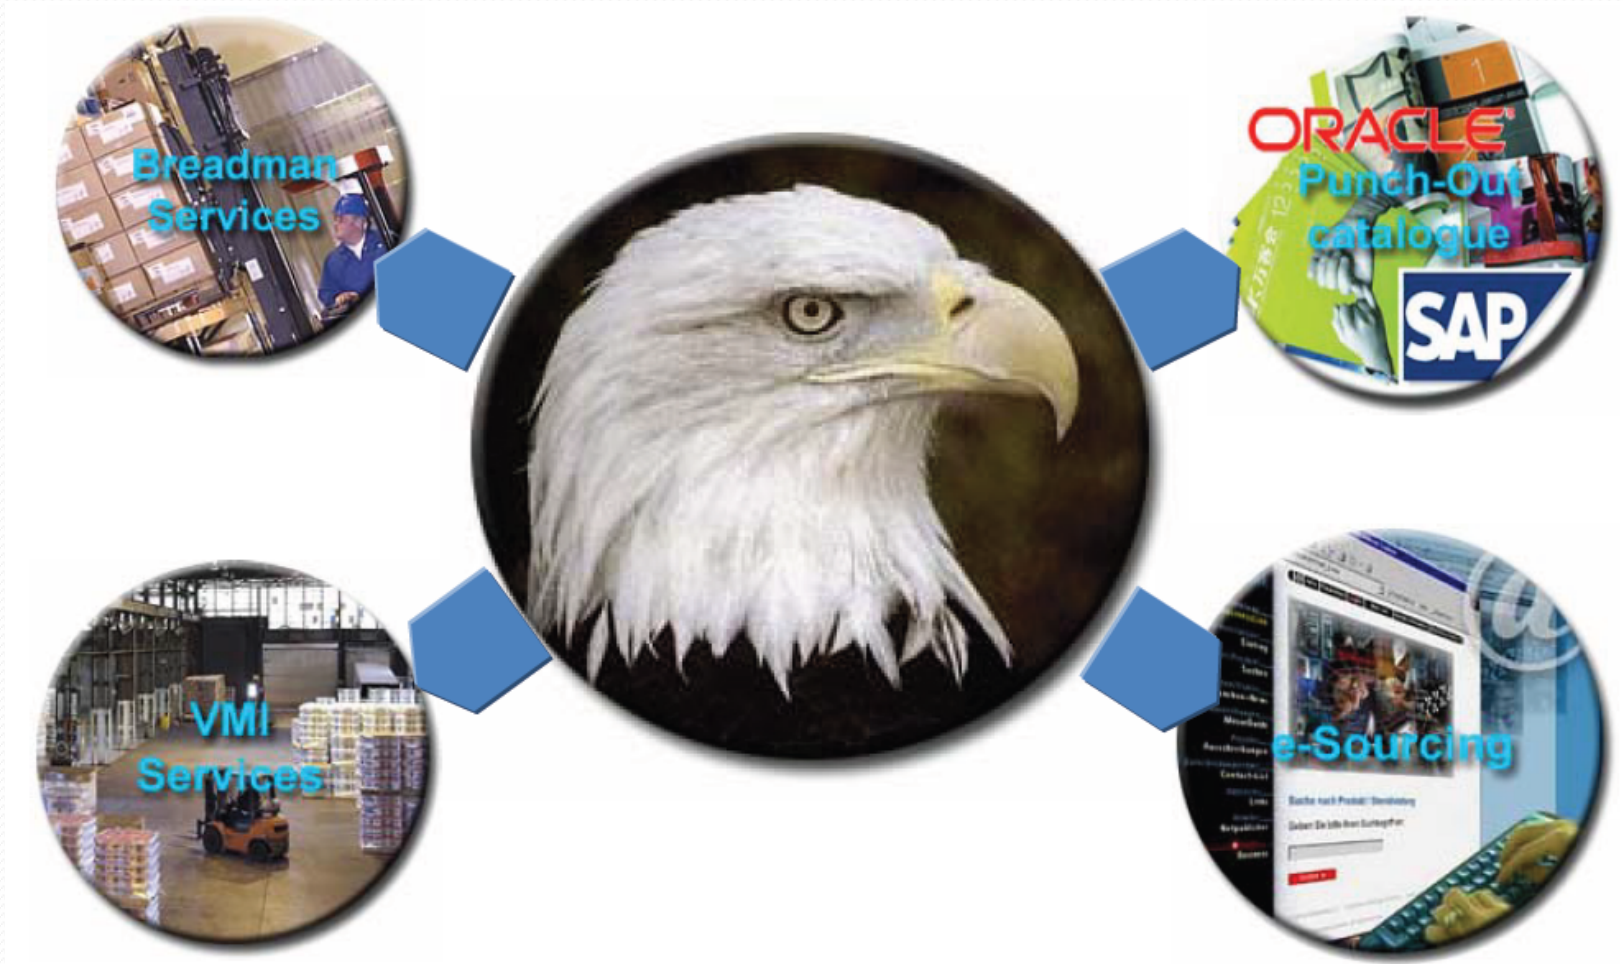

"There are multiple services we offer to outsource your Indirect Materials Inventory. – from sourcing, Vendor-Managed Inventory (VMI), and Procure-to-Pay (P2P) outsourcing, to end-to-end comprehensive inventory management.

SHOULD YOU OUTSOURCE YOUR INVENTORY?

The answer is a resounding "Yes". Let us give you a presentation to show how. Call us now.
